

LITL 85% STAT WINNERS FROM FALL 2018

The following players have received email congratulations for their excellent performance in their Fall 2018 season. Their statistics are calculated in doubles only by an average of matches won and sets won. **If players choose to remain at their current level and win 85% of their matches next season, regardless of what court position they play, they will be required to move up except for 5.3/5.5 players.**
