The Ladies Interclub
Tennis League

WHO?!

The Ladies Interclub Tennis League was founded in Birmingham, Alabama in 1973.

The mission of "LITL" is to promote the development of tennis as a means of healthful recreation and a form of physical fitness, while maintaining the high standards of amateurism, fair play and sportsmanship.

Currently, 25 tennis facilities in the metro Birmingham area participate in organized league play with over 400 women participating in doubles play. New clubs and teams are welcome and encouraged to come and join our ongoing fall, winter and spring leagues.

New this year! LITL has organized pickle ball day leagues for the area! Contact Heather Morgan via email at hmconsmom@aol.com if you would like to form a team out of your facility!

If you would like more information on the Ladies Interclub Tennis League, or would like an opportunity to get involved as a volunteer, please visit our web site at:

www.LITL.org

The LITL is a non-profit organization that is run completely by volunteers.

WHY?!

The Susan Briggs Memorial Charity Tournament was started in 2007 to honor Susan Briggs, the first President of the LITL. Susan was a life-long advocate of women's tennis.

During her tenure as co-director of the Alabama Tennis Association, she encouraged adult team play, and helped organize league play in the Birmingham area.

Now in its fifteenth year, the tournament provides financial stipends to deserving young ladies and kids programs in central Alabama.

Due to the overwhelming response and generosity of our players, the tournament committee has been able to award numerous scholarship awards to individuals and organizations over the years.

Tournament members presented new equipment this past spring for the kids at the James Lewis Tennis Center!

WHERE AND WHEN!

AUGUST 18-20TH

Participating players come from the metro Birmingham area, as well as Jasper, Gasden, Anniston, Pell City, and Tuscaloosa.

The tournament is a doubles only format which will rely on a combined rating system and provide leveled play at : 2.5, 3.0, 3.5, 4.0, 4.5, and 5.0. The committee will verify ratings and place teams in the most competitive levels according to both player's ratings.

Be aware that we have no control over forfeits, which means you may have a BYE the first round. However, we work very hard to guarantee each team two matches during the tournament.

Match play will begin on Monday, August 18th. Primary play will be Monday and Tuesday. Wednesday will be the finals. Thursday and Friday are rainout options. Matches could start as early as 9:00 am. Depending on the heat we will have either one or two matches per day. USTA rules of play will be observed.

Can't play all week? Sign up to be a "celebrity sub"! We have folks that have conflicts arise where we need subs. Specify what day you can sub, and come play for fun and work for food (lunch), if you play the first two days!

Primary match play will be at Inverness Country Club.

The tournament will serve as a great warm up before the start of Fall League!
