

Ladies Interclub Tennis League
Birmingham Alabama
Established in 1973

It shall be the policy of this league to play by the USTA's "The Code" as written by N.E. Powell. "The Code" constitutes a way for honest players to employ the same approach to various situations so that neither takes advantage of the other.

Team Captains and Club Reps should read and be familiar with the rules of the Ladies Interclub Tennis League.

Teams or players failing to adhere to the following rules may be brought before the ethics committee and may be penalized by sitting out a season.

I. General Rules

- a) **Club eligibility**- Each club or organized tennis group entering or participating in LITL must have four regulation courts for the Regular Division and three courts for Doubles Only. Nets with adjustable straps, and courts within reasonable distance of each other. Suitable restrooms must be within reasonable distance of the courts.
- b) **Matches**- Each season will be limited to eight matches. For levels fielding 10 or more teams, matches will be randomly set. For a level fielding 16 teams or more, there will be two sections.
- c) **Meeting Attendance**-A club rep from each club/organization is required to be at the spring and fall general meetings.
- d) **Move Down Requests**- Must be submitted in writing to the ethics committee by **January 15th** for the Spring Season and **July 15th** for the Fall Season
- e) **Out of Town Teams**-Are required to play all matches in Birmingham unless the Birmingham team agrees to play on the out of town courts or mutually agreed upon courts. Should it be necessary to schedule two "out of town teams" to play each other, the home team is responsible for arranging for courts in the Birmingham area, unless both teams agree to play at the home teams' courts. Out of town teams will share the expense of the courts

- f) **Players-** Will dress and conduct themselves in a proper manner. Remember that, in many instances club members are relinquishing their playing time so that matches can be played.
- g) **Prizes-** Individual awards will be presented to each winning team member at each level at the annual awards luncheon in February.
- h) **Registration** -Prior to the Spring and to the Fall general meetings, each club representative must submit the LITL registration form (found on the website) and a fee of \$70.00 per team for Regular Division level 4.5 or below, \$80.00 for 5.0 Regular Division teams and/or \$60.00 per team for Doubles Only Division in order to be scheduled. Registrations are due **January 25th** for spring and **July 25th** for Fall. After fees have been received and approved, teams and rosters are then created online at the LITL.org web site **January 25th** through **February 8th** for the Spring and **July 25th** through **August 8th** for the fall.
- i) **Scheduling-** If a club is fielding more teams than they have courts to support they must seek the approval of the VP Scheduling prior to scheduling. It is also the responsibility of the club reps to notify the VP Scheduling in writing of any scheduling conflicts.

II. Establishing Level of Play

- a) A Player may only play for one team at one club/facility in Regular Division and only one team at one club/facility in the Doubles Only Division during the season.
- b) A Player must play at the same level when playing both Regular Division and Doubles Division.
- c) New players may be added at any time during the season, but they must play on a team at or higher than their USTA or NTRP rating.
- d) Players and substitutes must be at least 18 years old.
- e) Teams must determine lineups according to the strength of players in order to make play fair and competitive for all. "SANDBAGGING" is prohibited. Each week the captain must ascertain that her strongest individual/team is in the #1 position and that the weakest is in the last position.
- f) Teams must abide by the 85% rule when determining the lineup. Any team not complying with this rule will be forced to default the sets on each court that did not adhere to this

rule. Any complaint should be written and submitted to the Ethics Committee within one week of the match played.

III. Determining Level of Play (85% Rule)

Each player's rating will be substantiated by her win loss record, as determined by her statistics at the end of each season. Each player's record will be reviewed by the Ethics Committee. Those playing 75% of their matches and winning 85% or more (of sets) will be notified by letter. The Ethics Committee has the authority to review any player who has won 85% or better but did not play the required 75% of her matches. The Ethics Committee will rule on each player individually and may require that a player receive a letter without the required 75% played. After receiving two consecutive letters at the #1 position, the player is required to move to a higher level. If 2 consecutive letters are received at a lower position, the player must move up in the line up or change partners. If protested, players not adhering to this rule will default any sets protested. When a player has been given permission to move down for a season and receives an 85% Letter that season, the player (should she choose to stay at that level the next season) will have to default any sets protested.

IV. Substitutes

- a) A team may use a sub from a lower level Doubles Only or Regular Division team already playing out of her facility. During each season, she may sub twice per team per division at that facility.
- b) Teams that field two teams at the same level may not interchange rostered players.
- c) A team may add a sub to her team from another facility, provided that:
 - a. The sub is the same level, and is currently not a member on another team within that same division
 - b. Has not already subbed for any other club or facility in the division she is being asked to sub for.
 - c. Subs that are used from another facility will be counted as a new member on the team they have subbed for.
 - d. During a season, a player may sub twice per team per division at the same club/facility.
 - e. If no sub or eligible new member is available , see section VI-e.

V. Guidelines for Captains

- a) Must be a playing member of the team
- b) Must have Internet Access and an email address and cell phone (or designated player with cell phone access)
- c) Will exchange a complete written line up using the appropriate LITL form (found on the web site) prior to start of match. (9:00a.m. for Regular Division, 9:30 a.m. for Doubles Only)
- d) No changes can be made to a line-up except for rainouts if play has not begun and forfeits discovered after singles play has begun.
- e) Will be responsible for entering or confirming scores on the website within 5 days of the match play date. Each captain should keep a copy of the score sheet for all matches played during the season
- f) **Will reschedule rained out matches within three weeks.** If for any reason a match is not played as scheduled, the Level Coordinator should be notified by the captains involved. If a mutual date cannot be agreed upon, the Coordinator will assist in resolving the conflict.
- g) Will designate new members and subs at the bottom of her score sheet.
- h) Will be familiar with all rules in the LITL handbook.
Each team must have a captain or acting captain present for each match.
- i) Will be responsible for keeping her team informed of LITL activities and rule changes. Every captain, club representative, and level coordinator must attend a mandatory meeting that is scheduled prior to league play. If absent, you must have someone to represent you in your place.
- j) Questions concerning subs or player eligibility should be addressed to your level coordinator 24 hours prior to your match.

VI. Match Play

- a) **Cell Phones-** Must be silenced on the court. Violation will result in loss of game in progress or the next game if during a changeover. Players on the other three courts may call an **immediate** let if the ringing affects their play.

- b) **Balls-** New, unopened USTA regulation balls appropriate for the playing surface will be provided by the home team, except where the asterisk appears on the schedule by the visiting team. The host team is the team responsible for the balls. A home team is the team that belongs at the facility where the match is being played.
- c) **Snacks-** Individuals are responsible for their own snacks and water.
- d) **Default- Play has begun.** If one of the players is unable to continue due to injury or illness, after a 5 minute grace period, the player must default the remainder of the match. If a player has defaulted her singles match, then she automatically defaults her doubles match as well. **DEFAULTS ARE COUNTED IN PLAYER (S)'S** Statistics and entered in the computer as a default instead of completed. (Example: if the first set score is 3-3 and Player B is injured or becomes ill, the score will be 6-3, 6-0. Both sets are counted as wins for Player A. If a default occurs in the second set, the first set stands as played, with the second set counted as a loss for the Defaulted Player.)
- e) **Forfeit – Play has not begun.** A team is unable to fill a position in the lineup.
1. If no sub or eligible new member is available, the Captain must forfeit the lowest court (s) and move everyone up in the lineup.
 2. The two sets are counted for the opponents and are scored 6-0, 6-0. Forfeits are not counted in player's statistics, and should be entered on the computer as forfeits.
 3. In Regular Division if play has begun in singles, and it is discovered that a player will not be present for doubles, then she must make the changes to forfeit the lowest court in the doubles line-up.
 4. If a singles player is injured during singles play **and** defaults her singles match **and** is in the doubles line-up, that court of doubles must be forfeited.
 5. If a team drops out in mid season or if a team forfeits one match, then all the matches for that team will not be counted for the season. The

forfeiting team **will not** be allowed to play the remaining matches. If a team forfeits a match they are subject to sitting out the next season.

6. A match consists of fielding at least 4 courts in the 5.0 Regular Division and at least 2 courts in Doubles Only Division. In Regular Divisions lower than the 5.0 level, 3 courts constitute a match.

- f) **No Coaching** or Pro Consultation is allowed while players are on the court playing a match.
- g) **No linesman will be provided for matches.** In case player(s) request a linesman, the captains will agree on a person to monitor the match.
- h) **Play is to be Continuous.** There will be no rest breaks during between sets. When changing sides a maximum of 90 seconds shall elapse; a maximum of 30 seconds shall elapse between points and even games. The maximum time a player has after finishing her singles match before playing doubles is **15 minutes**, unless she is waiting for her opponent to finish her singles match.
- i) **Protests-** All Protests must be put in writing using the form found on the LITL website, and directed to the Ethics Committee or President within 7 days of the match. During that time online scores entered into the website should not be confirmed. **(Please do not hit the dispute key if there has been a keying error on the website!!! Call the captain and have her correct it!)** The ethics committee will contact both teams involved, review both sides of the protest, and will settle at their discretion. No action will be taken on Protests received after 7 days of the match.
- j) **Rainouts-** In the event of rain or bad weather, all matches are to be made up **within three weeks, or within 10 days of the last scheduled match whichever is earlier.**
 - 1. If the weather is questionable, both teams will go to the courts as scheduled. If the home courts are not playable, but the visiting team's courts are playable and available, then the match must be played at the visiting teams courts on the scheduled match day. An additional and reasonable amount of time must be allowed for traveling to the visiting team's courts.
 - 2. If both the home and visitor courts are unplayable, the host captain must offer the

visiting team captain 3 possible make up dates within a three week time frame for the match to be played.(Make sure host club has courts and players available to play before submitting dates to other captain!) The match may be played at the visiting team courts if the host team cannot obtain courts within this time frame.

3. The Level Coordinator must be notified of the rescheduled date, and it shall be treated as a regular match.
4. In the event that the two captains cannot agree on a date, the Coordinator after obtaining dates from each captain, may randomly pick a date.
5. All rainouts must be played within 10 days of the last scheduled match for the level and division involved.
6. **If play has begun**, lineups turned in at 9:00a.m. will stand and cannot be changed for the rescheduled match. In case the match is rained out before the first ball of singles is served, the match must be rescheduled in its entirety and a new line up may be submitted.
7. Completed individual matches will stand as played. Incomplete matches will be continued and played at set, game, and point scored as they stood when halted. If the match cannot be completed as a team, individual players can reschedule at their convenience **within three weeks**.

k) **Unsportsmanlike Conduct** – Complaints of unsportsmanlike conduct must be filed in writing to the Ethics Committee. Any player that continually violates the rules or show unsportsmanlike behavior will be reviewed by the Ethics Committee and may not be allowed to play Ladies Interclub.
